

## Absolute Planetary Book Two

The long awaited finale to Planetary is now available in an Absolute format. As the series hurtles towards its conclusion, Snow initiates the second part of his comeback plan to stop The Four, makes a startling revelation about his past, and uncovers information on the worlds first moon shot...in 1851! Will Snow be able to draw the last of the Four out of hiding, and can he act before his teammates lose their faith in him? Collecting issues 13-27 of the original series as well as 14 pages of additional content which includes: Alan Moores intro to Book One, plus the original trade paperback cover art Joss Whedons intro to Book Two, plus the original trade paperback cover art Whos Who spread featuring a block-color version of the cover to issue #27, with first-appearance and significant issues. A creation of DC Direct action-figures spread, and a creation of the Snowflake page by colorist Laura Martin.
