Marco Polo Berlin: the Travel Guide with Insider Tips Experience all of Berlin's attractions with this up-to-date, authoritative guide, packed with Insider Tips. Most holidaymakers want to have fun and feel relaxed from the moment they arrive at their destination - that's what Marco Polo Guides are all about. Discover hotels, restaurants and trendy nightlife venues, as well as numerous tips for shopping, and find out about festivals and events, sports and other activities. Also contains: the Perfect Day, Travel Tips, Travel with Kids, Links, Blogs, Apps & more, German phrasebook and a comprehensive index. People have always been hooked on Berlin. A haven for various lifestyles and artistic movements, and the setting for momentous political and historical events, the city never stops reinventing itself. Despite its tumultuous past, today Berlin considers itself very much at the modern heart of Europe and is acknowledged as a trendsetter the world over. A practical, pocket-sized guide, MARCO POLO Berlin takes you on a tour through its endlessly varied cultural landscape. The Where to Start panels highlight the best places to begin sightseeing, the best places to shop, and the trendiest places to go in the evening in the metropolis that never closes. The Insider Tips explain how to take a ride in the U-Bahn Cabrio (open-top metro) and where to buy violet mustard, milk grappa, and garlic chocolates. The Best Of pages highlight some unique aspects of Berlin, recommend places to go for free, and contain tips for rainy days and where you can relax and unwind. Panels in each chapter suggest things to do if you're on a tight budget and where to pick up some real bargains. The City Walks include exploring the past in the Hackesche Hofe (courtyards) and strolling along the line of the now vanished Wall. The Dos & Donts explain why it's best to steer clear of

conjuring tricks, and the Travel Tips tell you why it's best to put your money on the WelcomeCard. MARCO POLO Berlin provides comprehensive coverage of the city. To help you find your way around there's a detailed street atlas inside, a useful public transport map in the backcover, plus a handy pull-out map. A must-have for all travellers, including those who haven't bought a travel guide in the past.
