

INSIDE CROCHET: The Beginner's Guide: Everything You Need To Know To Start Crocheting Today (The Home Life Series) (Volume 10)

Amazon Number 1 Best Seller Crochet. This is an age-old tradition of creating clothing and accessories for general use, such as table runners and dishrags. All it takes is to learn the basics and you can create practically anything out of a ball of yarn. Hearing or reading crochet terms and abbreviations can become quite intimidating. Yarn overs, turning chains, and boucle can be confusing. Fear no more. This book will provide you with all you need to know about the basics of crochet. Information and guidelines about yarns and hooks are also explained here. This book also includes how to choose the right yarn and hook, how to prepare the yarn and how to hold the hook the right way. Step-by-step guides on the different basic stitches are also included. You even get a bonus guide on simple crochet patterns to help you get started. Get your copy todayand.....welcome to the wonderful world of crocheting.
