

## Beautiful Seductions - From Italy to Decorate Ornate

Since opening the doors of Decorate Ornate, everyone wants to know Stephanie Chance's secrets. They ask how she transforms her home into a magical wonderland and still finds time to literally fill-up her Aladdin's cave-of-a-shop, which resembles a treasure chest, filled with exotic castle doors to gorgeous home decor from all over Europe, and, too, jet back and forth to Europe, two and three times per year. Stephanie Chance takes us into her home for many Holiday Extravaganzas throughout the year, along with her adventurous treasure hunts in Italy.
