

## Brittany & Normandy: Your Guide to Great Drives (Drive Around)

This volume is a selection of the best areas for touring in Brittany and Normandy, featuring D-Day beaches and World War II memorials, Breton ports and guides to Rouen and St Malo. It includes scenic routes around Channel ports; beaches and inland villages, standing stones and churches; and information for getting around without a car. Places of interest are highlighted and information is given on detours to get you off the main tourist trail. Rules-of-the road are explained for this particular destination and information is given on selected accommodation, dining and shopping options. The book also includes at-a-glance ratings to quickly assess the quality of local attractions.
