

Alfreds Essentials of Music Theory: Teachers Answer Key

Alfreds Essentials of Music Theory is designed for students of any age, whether listeners or performers, who want to have a better understanding of the language of music. In this all-in-one theory course, you will learn the essentials of music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the available ear-training CDs (sold separately), and test your knowledge with a review that completes each unit. The Teachers Answer Key is a spiral-bound book that includes answers for the Lesson and Review pages as well as music for the Ear-Training pages in Volumes 1-3 of the Student Books. The complete line of Alfreds Essentials of Music Theory includes Student Books, a Teachers Answer Key, Ear-Training CDs, Double Bingo games, Flash Cards, Reproducible Teachers Activity Kits, and interactive software for students and teachers in private study, studio and network environments.
