

Forbidden Brides of the Faceless Slaves in the Secret House of the Night of Dread Desire

A celebrated send-up of gothic literature, beautifully adapted into a dark, brooding, and oddly comical graphic novel. Somewhere in the night, a raven caws, an authors pen scratches, and thunder claps. The author wants to write nonfiction: stories about frail women in white nightgowns, mysterious bumps in the night, and the undead rising to collect old debts. But he keeps getting interrupted by the everyday annoyances of talking ravens, duels to the death, and his sinister butler. Shane Oakley beautifully illustrates New York Times bestselling author Neil Gaimans satirical tale.
