

Hit-Monkey #2 (of 3)

With the spirit of the Nameless Assassin compelling him toward his righteous revenge, Hit-Monkey has cut a bloody swatch through the ranks of General Satos empire...only to hit a snag. Enter: Bullseye! What chance, if any, does our soulful simian stand against the super-powered assassin? But Hit-Monkey has two very important things going for him: one, no one yet knows that its him rather than the Nameless Assassin whos behind the killings...and two: hes a monkey.
