

Living with the Dead #1 (Living With the Dead Vol. 1)

Two survivors of a global catastrophe disguise themselves as corpses to survive in a land of the walking dead. From the mind of Mike Richardson (The Mask, The Secret) comes this hilariously frightening tale of Straw and Whip, two slackers who have lived through a plague that left the world with seven billion brain-hungry zombies. Life is tough as they try to keep up the appearance of being like the rest of the decomposing masses, and things heat up when a damsel in distress needs their help. Will they blow their cover for a beautiful young girl or sacrifice her in the name of rock and roll? Be sure to catch this three-issue series with art by Ben Stenbeck and covers by the legendary Richard Corben, making zombies fun again. **Two boys, a girl, and seven billion living dead.**
