

Pathfinder Norfolk: Walks (Pathfinder Guide)

From stunning coastal scenery in the north of the county, to the unique inland waterways of the Broads to the east and the remote beauty of the vast fenlands to the west. Norfolk has always been a popular holiday destination but until now has never had much of a reputation as walking country. However, even the most seasoned of walker will be delighted and satisfied by the 28 walks in the this title, which include the historic highlights of Castle Rising and Oxburgh Hall, ancient routes such as Boudiccas and the Peddars Way and stunning seascapes at Overstrand and Wells-next-the Sea.
