

## The Case of the Teenage Terminator (The Nicki Holland Mystery Series Book 3)

With a burst of nervous energy, Nicki dove to the safety of the windowless side of the shed. As the others glided into place beside her, she put her finger across her lips and knelt to listen. Its too hot in here, a voice said. Its too hot everywhere tonight, after your brilliant move, another voice answered. I hope youre not planning on hiding out here until everyone calms down. Youll be here a week. Christines brother, Tommy, is in trouble, but he doesnt seem to realize it. Nicki, Meredith, Christine, Kim, and Laura take on an investigation that pits them against a danger theyve never faced before-one that could lead to a life-or-death struggle.
