

The Secret Millionaire - With These Rings 1 (Harlequin comics)

Until the two rings are reunited, the path to true love will be difficult for the Covelli family... Rick Covelli, made a millionaire from a recent success on an oil rig, doesn't believe in nonsense like curses. Especially not the one supposedly placed on the family ring even though a string of bad luck, starting with his father's death in an accident, has continued to plague him. Now, he's returned to help his family in his native Indiana, only to be drawn like a magnet to the blue-eyed Jill...
