

The Servants of Twilight

An ordinary parking lot in southern California. Christine Scavello and her six-year-old son are accosted by a strange old woman. I know who you are, she snaps at the boy. I know what you are. A scream, a threat and then a grotesque act of violence. Suddenly Christine's pride and joy, her only son, is targeted by a group of religious fanatics. They've branded him the Antichrist. They want to kill him. And they are everywhere. Includes an afterword by the author
