

# Shooter's Bible, 103rd Edition: The Worlds Bestselling Firearms Reference

Published annually for more than eighty years, Shooter's Bible is the most complete and sought-after reference guide for new products, specifications, and current prices on thousands of firearms and related equipment. The 103rd edition contains up-to-date handgun and rifle ballistic tables along with extensive charts of currently available bullets and projectiles for handloading, as well as a new products section. This edition also corrects any errors from previous editions, so you can be sure you are getting the most complete and accurate pricing and specs for all the products showcased inside. Complete with color and black and white photographs depicting various makes and models of firearms and equipment, Shooter's Bible belongs on the bookshelf of any beginner or experienced hunter, firearm collector, or gun enthusiast.
